* Texas Education Code Sections 44.031 and 44.033 allow school districts to award a contract to a local bidder if the local bidder's bid is within 5% of the lowest bid price received from a bidder who is not a resident of the district and if the Board determines that the local bid provides the best combination of contract price and additional economic development opportunities created by the contract award, including the employment of residents and increased tax revenues. The District has recommended the local bidder in all categories if the local bidder's bid was within 5% of the non-resident lowest bidder. The District believes that awarding these bids to the local vendor does provide the best combination of contract price and additional economic development opportunities.
