

Dear Giesinger Parents and Friends,

Thanks for taking a look at our website. I'm excited about our Parent/Teacher Organization and everything that's going on this year. I hope we can say or do something to peak your interest and get you involved with us. There's lots to do and lots of fun to have while doing it, so come check us out!

Our PTO meets at the school on the third Monday of each month (no meeting in December), at 9:30am. Come by and see what's going on within the school and meet some new faces. The meetings usually last about an hour or so and everyone is welcome.

We have many, many ways in which you can volunteer. There's always some type of project or event in the making and we need all types of help. So whether you want to run a committee or be a helper or make signs at home or donate items, there's something just for you. We just need to meet you and find out what it is!

Giesinger Elementary is a wonderful school with so many kind and concerned teachers and staff members. You can take comfort in knowing that your child is in good hands here and that there's a PTO working hard behind the scenes to also help ensure the success of your child as well as support the people who determine to care for and educate your child for their future. We're all in this together!

Come by and visit with us when you can. If you can't make it to meetings you can still be involved, and there is no membership fee. Feel free to call me or email with any questions or concerns you might have. Any PTO member can help you as well. Thanks for all you do! See you soon!

Yours Truly,
